Showcase Your Business / Organization

The National Tribal Land Association and the Indian Land Tenure Foundation invite you to exhibit at the 9th Tribal Land Staff National Conference, the premier education and networking event for tribal land professionals. The theme of the conference in 2019 is "Unifying Indian Country to Go Beyond Boundaries."

The Conference will be held March 26-28, 2019 at the Mystic Lake Center, located in the Shakopee Mdewakanton Sioux Community near Minneapolis. The 1st Annual Tribal Land Staff National Conference was held in Las Vegas in 2011 with a gathering of 100 tribal land staff from every region of the country. Since then, the conference has tripled in size and representatives from more than 165 tribes have taken part in Minnesota, California, Idaho, New Mexico and Oklahoma. Don't miss this outstanding opportunity to meet the dedicated professionals who come to the exhibit floor eager to learn about your products and services.

Conference Demographics

Attendees include tribal decision-makers and key staff: Tribal leaders, realty directors, title and records managers, natural resources staff, attorneys, surveyors, GIS specialists and others who work for tribes and oversee ownership and property-management issues.

The conference not only served as a great networking opportunity, but by attending the sessions our team was able to gain a deeper understanding of how we can better support our tribal partners.
